

NIGA PREVIEW

Release date: March 28th, 2018 • Embargo date: immediate release

NOVOMATIC Americas to introduce an impressive variety of products to Tribal Gaming customers at NIGA 2018

Curves are Cool! Supported by the NOVOMATIC Group, NOVOMATIC Americas is looking forward to highlighting its latest product innovations on Booth #546 at the National Indian Gaming Association's upcoming trade show NIGA 2018 on April 17-20 at the Las Vegas Convention Center.

Sleek cabinets, licensed content and linked progressive jackpots will be the focus of the NOVOMATIC Americas booth at NIGA 2018, where NOVOMATIC's three stunning new cabinets – PANTHERA™ 2.27, PANTHERA™ Curve 1.43 and V.I.P. Lounge™ Curve 1.43 – will make their US debut. These will feature alongside two licensed titles displayed with PlayerPocket™ signage: the slot game based on the infamous vampire road movie From Dusk Till Dawn™ and the brand new slot MacGyver™, based on the iconic TV show, which makes its international premiere and adds to an impressive licensed content preview.

The PANTHERA™ 2.27 and 1.43 will be on show front and centre. The distinctive PANTHERA™ 2.27 features two 27" LCD screens, a 15.6" TouchDeck™ and LED effects that provide for a superior player experience. The PANTHERA™ Curve 1.43 is a striking new cabinet that keeps players on the edge of their seat with a 4K-ready 43" curve screen that hits the marks for design and presentation. The V.I.P. Lounge™ Curve 1.43 continues the focus on the V.I.P. cabinet line in a space-optimized format with a 4K-ready 43" curve screen.

Going Wildly Progressive!

NOVOMATIC Americas will showcase its WILD side with the ENCHANTED FORTUNES LINKED JACKPOT™ suite of games. This linked progressive jackpot system connects two or more slots to create wildly rewarding jackpot experiences with four win levels: Mini, Minor, Major and Grand. The latest NOVO LINE™ suite of games such as Asian Fortunes™, Book of Ra™ Mystic Fortunes, Goddess Rising™ and Treasure of Tut™, among others, will be connected to the jackpot. Also on show will be the JACKPOT EDITION™ deluxe progressive jackpot experience where players can activate the Jackpot Chance wheel to win gold, silver or bronze level progressive awards.

NIGA PREVIEW

Release date: March 28th, 2018 • Embargo date: immediate release

After a successful launch at FOXWOODS® Resort Casino, an expanded Electronic Table Games (ETG) offering will be presented at NIGA, featuring Roulette, Black Jack, Baccarat and Sic Bo. And with the success of the social casino Greentube Pro at Foxwoods, the recent launch of PlayTlcasino for Treasure Island Resort & Casino, and a major deal with Hard Rock and Seminole Gaming, the Greentube Pro team will be in the NOVOMATIC Americas booth to discuss the latest social casino products. In addition, the Octavian MyACP casino management system, which is highly adaptable to casino or route operations, will also be available for demonstration.

Rick Meitzler, President and CEO NOVOMATIC Americas, said: "NIGA is one of the most exciting yearly tradeshows we attend. We're looking forward to this year's show because it gives our Tribal customers a chance to see what we have been working on over the past year. Significant decision makers are on hand and we take tremendous pride in our Tribal Gaming development focus, strategic growth and product presence. This year we're launching brand new cabinets and concepts to demonstrate that we are serious about driving revenue in meaningful ways for our Tribal Gaming partners."

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs around 29,500 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 75 countries. The Group operates around 270,000 gaming terminals and video lottery terminals (VLTs) in its some 2,100 plus gaming operations as well as via rental concepts.
