NOVOMATIC Americas reveals the latest gaming entertainment at G2E 2019

NOVOMATIC Americas will present its latest gaming innovations at the Sands Exposition Center in Las Vegas from October 15-17th, booth #1259. NOVOMATIC Americas will once again offer an impressive exhibition of Winning Technology as well as their latest in games and equipment.

An extensive product portfolio that showcases brand new games and game mixes, progressive jackpots, sports betting kiosks, system solutions and ETGs for the U.S. and surrounding markets will be on full display at G2E 2019. Commercial, Tribal, and VGT operators will be able to experience the wide-ranging product suite available and understand how NOVOMATIC Americas' award-winning technology can boost their operations.

"We are focused on progressives and launching several new progressive product lines: PAY DAY™ Progressives with the new Pay Day™ Plus, the MONEY PARTY™ Link including Fruity Fruity™ and Juicy Juicy™ and our THUNDER CASH™ Link are all designed for a complete progressive entertainment experience," says Rick Meitzler, President and CEO of NOVOMATIC Americas. "In terms of progressives, we will also showcase the new Samurai Beauty™, and customers shouldn't miss this high-visibility presentation using the giant video wall and choreographed content. This package was a highlight at ICE in London, and we are bringing the U.S. version here to present this product in a unique style."

Spearheaded by the fantastic success of the THUNDER CASH™ Link, available on the PANTHERA™ Curve 1.43 and the V.I.P. Lounge™ Curve 1.43 which both feature the curved 43" 4K displays, various cabinet sizes for all-sized venues will showcase a selection of new games. Featuring among them are Dragon Hits™ as well as Prize of the Nile™ and Prized Panda™ – both part of the PAY DAY™ Progressives family – from the NOVOMATIC Americas Mount Prospect games studio.

The THUNDER CASH™ Link jackpot will show progressive prowess with popular and diverse themes like Emperor's China™, The Great Conqueror™ and Empress of the Pyramids™. The MONEY PARTY™ Link will premiere Juicy Juicy™ and Fruity Fruity™ on the PANTHERA™ Curve 1.43, and Samurai Beauty™ with its beautiful presentation will command attention on the NOVOMATIC stand.

The PANTHERA™ Curve 1.43, V.I.P. Lounge™ Curve 1.43, and V.I.P. Lounge™ 2.32 cabinets continue to bring top performance to North American gaming floors. These and other popular NOVOMATIC cabinets, like the PANTHERA™ 2.27 will be also presented with a variety of multi-game editions for the international and Latin American markets.

The established NOVO LINE Novo Unity™ II platform will demonstrate the multiple variations of the popular ETG system showcasing the latest in side-betting features.

New mixes for the Illinois and Pennsylvania VGT markets will have a dedicated booth-within-a-booth location, and exciting products premiering in Puerto Rico will not disappoint. The scalable and modular *myACP* casino management system will be featured with new player recognition programs for the Illinois and Pennsylvania VGT markets including a new NOVO Rewards™ player recognition kiosk.

Capitalizing on the incredible success of the NOVOMATIC *ActionBook*™ self-service sports betting kiosk, the prominent placement in the NOVOMATIC sports lounge will allow customers to experience the latest in customer sports betting capabilities.

Executives of the NOVOMATIC Interactive division, Greentube, will also be present at the booth in Las Vegas to discuss the capabilities of new online and social gaming products.

“This year has been one of tremendous growth for us,” stated Meitzler. “With the success of our THUNDER CASH™ Link, our NOVOMATIC *ActionBook*™ kiosk and so much more, 2019 has been a good year and this G2E is a celebration of that!”

Visitors to the Ainsworth section of booth #1259 will see the evolution of the popular QuickSpin® brand with more than ten titles that offer innovative uses of the giant wheel on the sleek A640 portrait screen cabinet. High performing titles such as Super Charged 7s, Super Lantern 8s, Super Crystal 7s and the recently released MultiPlay Super Charged 7s will take centre stage alongside new concepts such as Turbo Charged 7s, Super Lit Vegas and Super Charged 7s Classic. Additionally, Ainsworth will show Super Sonic 7s, a version of Super Charged 7s built for the EVO® and A600 dual screen cabinets.

Ainsworth High Denomination content has been among the top earning games in North America for several years. At the Las Vegas show, Ainsworth will show how this top performing content is being leveraged across platforms, as titles like Mustang Money 2, Dollar Chief, Dollar Action and Grand Dragon can now be placed on single-screen cabinets, including the A640 and A560SL Noir.

Elsewhere in AGT’s high limit area, casino operators can check out the premiere of two new Symbol Driven Linked Progressive games built specifically for high denom: Kanga Riches and Fortune Ox, each take the success of strong math models and combine it with fresh art and a thrilling progressive jackpot chase. In total, the Ainsworth product display will be comprised of more than 125 gaming cabinets. Which highlight the broad offer for customers in Class III, Class II, Tribal Lottery System and Historical Horse Racing markets.
