

NIGA 2017 PREVIEW

Release date: March 22nd, 2017 • Embargo date: immediate release

NOVOMATIC Americas to showcase latest products to Tribal Gaming customers at NIGA

Come Lounge Around NOVOMATIC Americas: Supported by the NOVOMATIC Group, NOVOMATIC Americas is looking forward to highlighting its latest product innovations on Booth #633 at the National Indian Gaming Association's upcoming trade show NIGA 2017. On April 10-13 at the San Diego Convention Center, NOVOMATIC Americas will showcase its impressive portfolio of electronic gaming products.

For the first time at NIGA 2017, Tribal Gaming customers will experience NOVOMATIC's impressive V.I.P. cabinets – NOVOSTAR® V.I.P. Royal, NOVOSTAR® V.I.P. II and V.I.P. Lounge™ – as well as the DOMINATOR® Curve. These will be presented alongside a variety of new slot content, electronic table games and interactive tournament offerings.

“This year's NIGA show presents a great opportunity to showcase our significant development efforts and our evolving product portfolio, including slots, electronic tables and social gaming,” said Rick Meitzler, CEO NOVOMATIC Americas. “NIGA is our opportunity to also demonstrate our deep commitment to the Tribal Gaming community and to feature our specific product evolution, content innovation and portfolio growth.”

Center stage at the NOVOMATIC Americas booth will be the V.I.P. cabinets next to the DOMINATOR® Curve for an impressive content preview. For gaming in epic style, the NOVOSTAR® V.I.P. Royal, with its 65" upright full HD LED curved screen, will present Asian Fortunes™ in a stunning HD visual format. The V.I.P. focus continues with the V.I.P. Lounge™ that delivers a compelling gaming experience that enhances the suite of premium game content including beautifully designed features on games like Dancing Dragons™, Freibier!™, Hold your Horses™ and Globe Roulette™.

The NOVOSTAR® V.I.P. II brings a big slot attraction onto the gaming floor and will feature at NIGA with the new high denomination Book of Ra™ HD and Dancing Dragons™. The striking DOMINATOR® Curve, with its vertical 40" full HD curve touchscreen, will feature a host of new titles for 2017. Additionally, JackPOP!™, JackPOW!™, Treasures of Tut™ and Pharaoh's Run™ will make their debut.

NIGA 2017 PREVIEW

Release date: March 22nd, 2017 • Embargo date: immediate release

An expanded electronic table games offering will also be presented and feature Black Jack, Roulette, Sic Bo and Baccarat, as well as multi-game slots. NOVO LINE Novo Unity™ II offers virtual versions of the most popular electronic table games and slots in multiple configuration options. These games enhance the most successful electronic table game titles with a remarkable visual player appeal.

The Reel Tournament™ version World Championship of Slots™ (WCOS) continues to evolve with new content, and the latest version will be on display at NIGA. An interactive strategy Gamble Feature and big game show competition feel add to the excitement, and the “Risk it all” strategy revolutionizes slot competitions. An all new entertainment experience for players, WCOS features a new dimension in slot competition. Guests are invited to stop by the NOVOMATIC Americas Booth #633 to play for prizes.

With the success of the social online casino for Foxwoods’s Resort Casino and the recent launch of “PlayItcasino” for Treasure Island Resort & Casino, the team of Greentube Pro will be in the NOVOMATIC Americas booth to discuss its social casino products. Greentube Pro offers a wealth of NOVOMATIC and other successful land-based slot titles in a play-for-fun format and will be available to discuss custom options for Tribal Gaming customers.

“This is an exciting year for NOVOMATIC Americas and our Tribal Gaming customers. Tribal Gaming innovators and decision makers are on hand and we take tremendous pride in our Tribal Gaming development focus and expanding product presence,” added Meitzler. “We’ve grown in a strategic and thoughtful way and continue to demonstrate our development commitment to all aspects of Tribal Gaming.”

About NOVOMATIC Americas

NOVOMATIC Americas is a fast-growing gaming supplier and division of the global gaming group NOVOMATIC Gaming Industries. NOVOMATIC Americas leverages the design, market research and experience of the Austrian Group’s R&D departments to create market-specific products that are tailor-made for the North American and Caribbean jurisdictions. The NOVOMATIC Americas product range includes slot machines for Class III and VLT/VGT markets, electronic table games, casino management systems and ancillary services. Due to its pedigree as part of one of the biggest integrated gaming conglomerates in the world, NOVOMATIC Americas understands the needs of its customers and thus is able to act as a long-term partner in numerous fields of the industry beyond being just a supplier.

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs more than 29,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to 80 countries. The Group operates more than 260,000 gaming terminals in its some 1,800 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
