NOVOMATIC Americas to introduce an inspiring variety of its latest products to Tribal Gaming customers at NIGA 2019

NOVOMATIC Americas Brings the Thunder. Supported by the NOVOMATIC Group, NOVOMATIC Americas is looking forward to highlighting its latest product innovations on April 1st - 4th at the San Diego Convention Center.

Sleek cabinets, sports betting technology, licensed content and exhilarating progressives will be the focus of NOVOMATIC Americas stand this year. Tribal Gaming customers will see NOVOMATIC's stunning product lines showcased alongside a substantial variety of entertaining, licensed content, core content, systems, sports betting kiosks and exciting new progressive jackpot product lines.

"This year more than ever, NIGA is a celebration of our commitment to Indian Gaming and a recognition that our Tribal Gaming partners are a leading force on the global gaming stage," said Rick Meitzler, President and CEO of NOVOMATIC Americas. "We are committed to developing and delivering innovative solutions that add value to tribal casino operations, share our roadmap for the future and support NIGA's goal of improving the lives of each and every tribal member. With the NIGA delegation trip to Austria this past January, we continue to reinforce our commitment to providing entertaining, innovative products that drive economic growth."

Featured at the NOVOMATIC Americas booth will be their latest riveting suite of linked progressive product lines including the official U.S. premiere of the mighty THUNDER CASH™ Link.

With the latest hardware solutions featuring exclusive gaming content, the PANTHERA™ Curve 1.43 and PANTHERA™ 2.27 command attention. The PANTHERA™ Curve 1.43 will be the striking standard as power and performance will keep players engaged and on the edge of their seat, as the imposing curve 43" UHD screen and high design visibility hit the mark for a sophisticated and fun player presentation.

The V.I.P. focus continues with the V.I.P. Lounge™ Curve 1.43; the compact curve is the modern gamer's choice! The perfect gaming curve view and interactive LED illumination deliver a visually compelling gaming experience. The curved screen and viewing angle enhance the suite of premium game content offered on the V.I.P. Lounge™ Curve 1.43. This breathtaking cabinet, with its space optimized format and its vertical 43" full HD curved screen, will feature a host of new titles for 2019.

The NOVOSTAR® V.I.P. Royal 2.65 continues to impress casino operators across North America and is one of the most requested products in the NOVOMATIC portfolio.

Pay Day™ Progressives are debuting on the PANTHERA™ 2.27 cabinet and mesmerize! NOVOMATIC Americas will introduce a series of high-energy standalone progressive games from the US-based Mount Prospect Game Development Studios. First releases are Prized Panda™ and Prize of the Nile™ – but watch this series quickly grow in new and exciting titles.

Expanded ETG side bets, the proven *myACP* casino management system, NOVOMATIC *ActionBook*™ Self-Service betting kiosks, Absolute Vision™ content management system, and the successful Greentube iGaming experience will all be on display.

“We take tremendous pride in our expanding relationship with NIGA and our Tribal Gaming development focus,” added Meitzler. “We have added new product lines like our NOVOMATIC *ActionBook*™ self-service sports betting kiosks and our *myACP* Novo Rewards customer relationship management tools. We also are debuting our Absolute Vision™ content management platform and continue with our significant commitment of offering the latest in cabinets, content, technology, systems, and performance for our Tribal Gaming customers. This year we are launching proven progressive product lines on our best-selling cabinets to demonstrate our dedication to being a valued entertainment provider to our Tribal Gaming partners.”

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs more than 30,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 70 countries. The Group operates around 255,000 gaming terminals and video lottery terminals (VLTs) in its some 2,100 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
